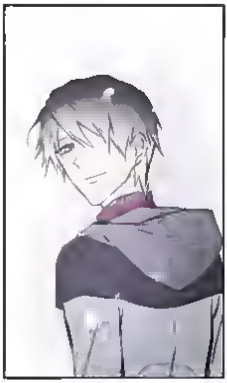
Ah.....!!
FALLS
Ugh.....

Did anything happen?
Did an adult hurt you?
No, I'm fine.

...
leans
What is it?

I'm glad you're fine.....

So she's the friend you've been searching for?



This person is.....

The adult I've told you before. The one who could talk... ...

he helped me come here. Ah, and other adults.....

Smiles brightly

Wh, why are you smiling?

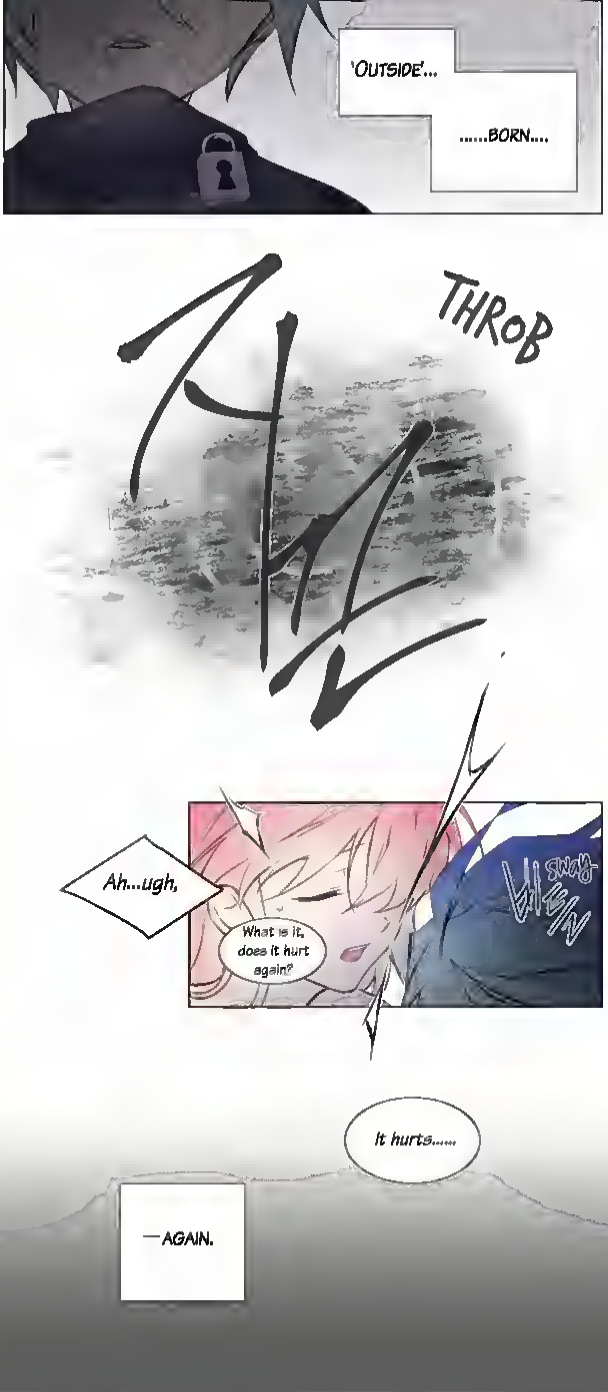
I'm glad.
He really helped!
nods
Yeah
Hm,
You guys suit each other!
Huh??
?
...y way.

Don't get in my way.....

Why do you want to go to the outside?

It's tiring even if you're born.

You will only experience difficult things.....!



'OUTSIDE'...
.....BORN....
THROB
Ah...ugh,
What is it, does it hurt again?
SWAG
It hurts.....
—AGAIN.

IT HURTS
THE SOUND THAT ADULT MAKES..... MAKES ME FEEL PAINFUL.
HE SAID ADULTS ARE ALL FROM THE OUTSIDE.
IF THESE TERRIFYING SOUNDS.....
COME FROM A PLACE OUTSIDE OF THIS VILLAGE
"You guys were up in this village to be born..."

IF THE WORD
"BORN" MEANS

GOING TO A
TERRIFYING PLACE
LIKE THAT.....

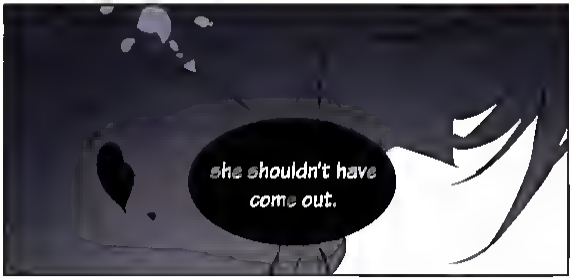
I was out there too

That kid had a beautiful smile like her——

She had to be happy

She was born such a beautiful child
but as she kept living
she forgot how to laugh.

I told her that I'd make her happy someday
But I couldn't stop her from throwing her body.
She must have had expectations for the outside world
but I couldn't keep her away from the pain....



in that case
she shouldn't have come out.

I'M SCARED.
THAT VOICE...
THE VOICE ADULTS MAKE
THE THINGS OUTSIDE OF THIS VILLAGE
IT'S TERRIFYING.

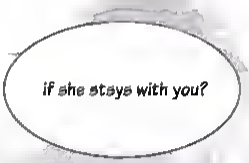
I can't see a child being hurt anymore.
I won't let that happen again.
In this world
where you don't have to be hurt or lose smiles.....!!

Are you trying to keep this child

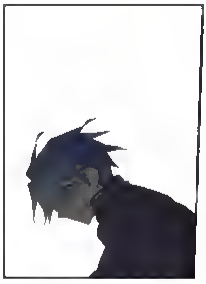
just because of your regrets?

What's wrong with it!
They know nothing.
They want to go out because they don't know what kind of place that is!

Even if
she'll disappear



if she stays with you?

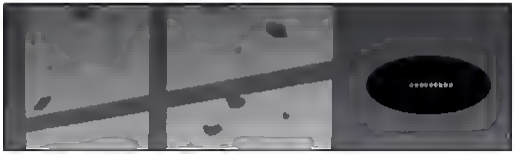


This village

is not real.

It's just a dream
which these children dream til' they're born.

Adults like us are just like a shadow from the outside world.
You are
Just a 'regret'
that you couldn't protect your own child.



A dream ends when the time comes.

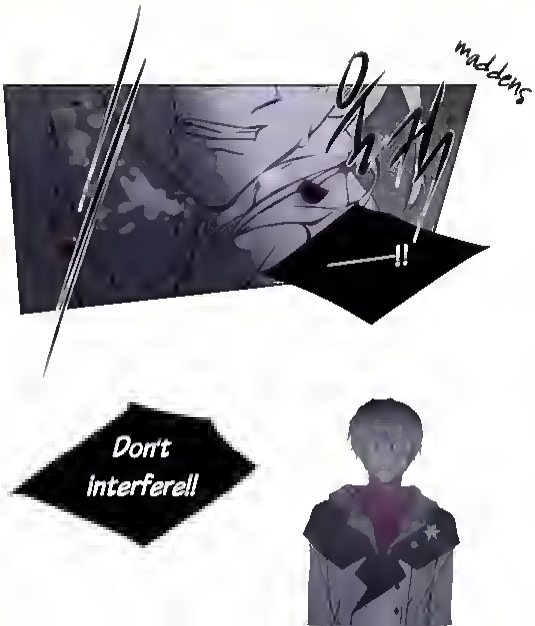
If they don't find the way out

and stay with you who is a being of a dream

the children will also

end without being awoken.
They won't even have the chance
to see and do or learn what happiness is.

We
shouldn't do such thing.

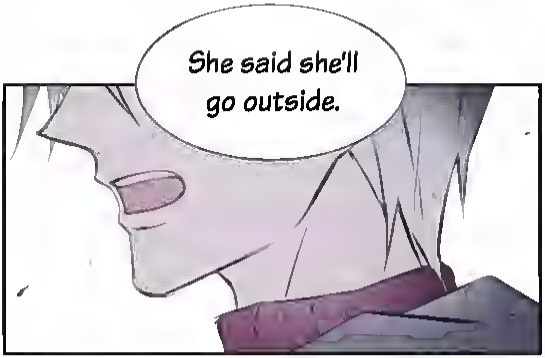


maddens
!!
Don't interfere!!

I just want to protect!
Do they have to go out to be hurt?!
It's happy not to be hurt in the first place!!
If they will suffer, be sad, and be in pain
It's better not to begin in the first place...!!

That's not for you to decide

That includes you too!!



She said she'll go outside.

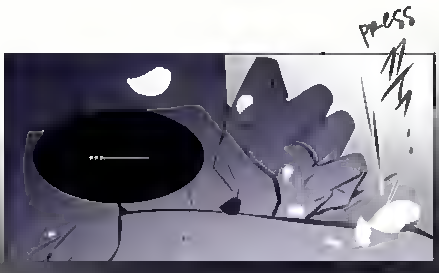
I came to support these children.
If these children wish for something
if that means meeting someone who can talk with them
finding a lost friend, getting out of this village and
earn an eye to open and a hand to reach out

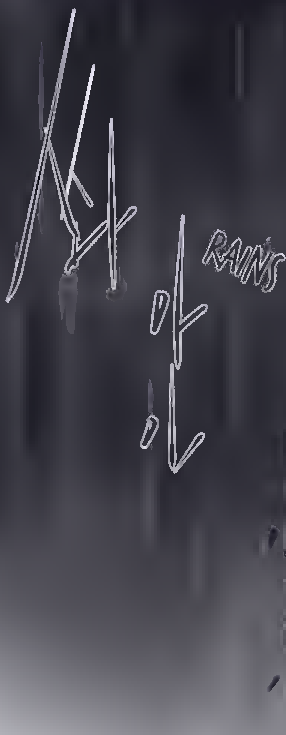
If it's their wish,
I came to make it true.
You're not
protecting them
You're just making
them give up.
But you won't be able
to do what you want.

This is a world of dreams for those who are about to be born.

Children

ere the masters of this world.





Um..... excuse me.
